Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On April 21, 2008, the Board of Directors (the "Board") of CBRL Group, Inc. (the "Company") appointed Douglas E. Barber, 50, to the position of Executive Vice President and Chief Operating Officer of the Company, effective as of April 23, 2008. Mr. Barber has served as Senior Vice President, Restaurant Operations since 2006, having joined the Company in 2003.

As the Company's Executive Vice President and Chief Operating Officer, Mr. Barber will receive: (1) a base salary of \$500,000 per year; (2) a target annual bonus of 110% of base salary, with the actual bonus to be determined based on the attainment of the Company's goals and financial performance; and (3) a Long Term Incentive target award equal to 200% of annual base salary, which award is divided equally between the Annual Stock Option Grant and the Long-Term Performance Plan, the material terms of which are described in the Company's Current Report on Form 8-K dated July 25, 2007 and filed with the Commission on July 31, 2007. Mr. Barber's benefits will remain the same.

In connection with Mr. Barber's appointment, the Company entered into a change in control agreement with him that replaced his prior agreement. The new agreement is filed as Exhibit 99.2 to this Current Report on Form 8-K. The change in control agreement provides that Mr. Barber will receive specified benefits if, after a "change in control" of the Company there is: (1) a material change in duties or responsibilities resulting in the assignment of duties and responsibilities inferior to the duties and responsibilities in effect at the time of change in control, (2) a reduction in salary or a material change in benefits (excluding discretionary bonuses), or (3) a change in the location of work assignments from the location at the time of change in control to any other location that is further than 50 miles away from the location at the time of change in control. The salary payments will equal 2.99 times the average salary and bonus for the 3 years prior to a change in control (including, when required, a gross-up payment to cover excise taxes), and benefits will include continuation of and payments for health benefits for a 2-year period. The change in control agreement defines "change in control" to include certain circumstances in which a person becomes the beneficial owner of securities representing 20% or more of the combined voting power of the Company's voting stock, a majority of the Company's Board changes within a 2-year period, the Company merges, consolidates or reorganizes, or in the event of a sale of all or substantially all of the Company's assets. The foregoing is only a summary of the agreement and is qualified in its entirety by reference to the agreement itself attached as Exhibit 99.2.
