Exhibit 99.1 - Press Release issued by Cracker Barrel Old Country Store, Inc. dated February 27, 2024
Adjusted Operating Income and Earnings Per Share, page 8

1. The format of your reconciliation appears to constitute a non-GAAP income statement. Please modify your presentation in future filings or tell us why your current presentation is consistent with Question 102.10 of the Non-GAAP Financial Measures Compliance and Disclosure Interpretations. In your response, please provide us with a sample of your proposed disclosure.
2. We note your adjustment for the non-cash amortization of the asset recognized from the gains on your sale and leaseback transactions has the effect of reversing some of the accounting effects for these transactions. Please tell us whether you consider this adjustment an individually tailored accounting principle, and if so please modify your future disclosure accordingly. Refer to Question 100.04 of the Non-GAAP Financial Measures Compliance and Disclosure Interpretations.
